LET'S KEEP ACCESS TO THESE RESOURCES SAFE AND AVAILABLE FOR ALL!

The Village of Caledonia is committed to observing COVID-19 physical distancing guidelines at all facilities, including outdoor spaces. All visitors are expected to enjoy the benefits of our parks and trails in a safe manner. If you are exhibiting any symptoms of illness please leave and contact your healthcare provider.

While you enjoy our open spaces it is your responsibility to:

- Follow CDC guidelines on personal hygiene prior to and while using parks and trails
- Maintain a physical distance of six (6) feet from others
- Share space and yield to others
- If park or trail is crowded leave and return at another time
- Prepare for no access to facilities
- Do not cluster or hang out in groups
- **We strongly suggest not using playground equipment, basketball courts, or any frequently touched surfaces. Equipment, courts and surfaces are not sanitized**
- Keep dogs on leashes and dispose of pet waste or take with you

Every visitor is expected to follow safe practices so we may continue to enjoy our shared open spaces.
