Miscellaneous

- Planning Board-2926 Main Street (new storage building), 1 Technology Place (ongoing sale issues), 3105 Main Street (new business)
- Completed Insurance Service Office (ISO) phone audit. A final scoring will be forthcoming in a few months, but our ISO community rating will be improving. This rating, and that of the local fire department, assist insurance companies in setting rates. A lower rating should save residents money on homeowner's insurance.

Additional Notes

- Met with buyer at 1 Technology Place
- NYS Department of State is still investigating complaint from 360 Middle Road and have requested additional information.
