March 14, 2022

Dear Village Resident,

For the past 10 years we have been fortunate to have Waste Management as our garbage and recycle service provider. Section 104-b of the General Municipal Law requires the governing body of every municipality to adopt a Procurement Policy for all goods and services. With our Procurement Policy it is in the best interest of the village to bid the garbage and recycle contract every three years in hopes to reduce our expenses.

Currently we pay Waste Management \$198,245 annually. We bid the contract in January and received two bids. To continue with Waste Management, it would increase the garbage/recycle budget 18.2%. Casella's bid reduces the cost 6.78%. The impact to our General Budget is significant with the rise in inflation, therefore, we are pleased to award the contract to Casella. We also would like to take the time to thank Waste Management for the exceptional service they provided our community. Each week Waste Management took it one step further providing great customer service and going above and beyond what they were required to do within our contract.

Waste Management will pick up one last time on Tuesday, May 24th. Please have your rented totes and recycle bins by the curbside by 6 a.m. Once your garbage and recyclables are emptied, please leave them there as Waste Management *will pick them up that week*. If you pay Waste Management to rent their tote, an automatic refund will be sent for advanced payments made.

Casella's service date will be Wednesdays. However, due to the Memorial Day Holiday, pickup is pushed back 1 day and will be Thursday, June 2nd, starting at 6:00 a.m.

If you wish to rent a tote, please contact Casella directly at (585) 308-0662. The cost is \$55 annually and you will be billed directly by Casella. A recycle bin will be dropped off at your residence the week of May 23rd, as will any rented totes.

For items such as furniture, appliances, etc. please contact the Village Office at (585) 538-6565 and I will schedule a pickup for you. This means one item per month per household. If you have a bulk pickup, contact Casella directly at (585) 308-0662 and you will be billed directly for that pickup.

2022 Holiday Schedule:

Memorial Day	- pick up Thursday, June 2nd
July 4 th Independence Day	-pick up Thursday, July 7 th
Labor Day	-pick up Thursday, September 8 th

For major snow storms, please check the Village website at www.villageofcaledonians.org for possible one day delays. We ask for your patience during the transition. Feel free to contact the Village Office with any questions.

Sincerely,

Ann Marie Grattan
Village Clerk-Treasurer
