

Village of Caledonia Summer Recreation Program 2023

June 26th through August 11th

Grace Walker, Recreation Director

Ashley Cornwall, Penny Carnival Coordinator

Betty McClenney, Recreation Commission Chair

Scott DiLiberto, Mayor

Welcome to Summer Rec!

My name is Grace Walker, and I am your new director of Caledonia Recreation. This summer will be my 3rd year at the park and my first year as Recreation Director. I have spent most of my life in Caledonia and am a 2020 graduate of Caledonia-Mumford. I am currently a junior at St. Bonaventure University and am working my way to a bachelor's degree in psychology with a minor in Sociology. I also play on the Division 1 softball team at my school. In my free time I like to coach softball, play guitar, and spend time with my family.

Caledonia Recreation has a history of creating timeless fun for the youth of the district. While we still play many traditional field games, we also engage in various other activities, hold multiple special events, and take numerous field trips throughout the summer. Most events, excluding field trips, are provided free of charge to youth. All events and activities are explained in detail within this packet.

This summer we are featuring a staff filled with many new faces. The staff is committed to providing our youth with engaging, exciting activities Monday through Friday, from 9 am-4 pm. In order to maintain a safe and fun environment, the staff and I expect that all children will act safely, respectfully, and responsibly during their time at Caledonia Recreation. In this way, our staff can ensure that kids will have the best experiences possible while at the park.

The staff and I look forward to sharing a memory-filled summer with your children!

Sincerely,
Grace Walker
